2019-20

Welcome • Üdvözöljük • Willkommen

Dear Partner,

We are pleased that you hold the 2019-2020 Rábalux catalog in hand, in which a new design has been implemented to give you as much information as possible on our assortment.

Our goal is to provide a solution for individual needs, so besides following the trends of lighting technology, we also paid attention to make our customer's everyday life comfortable by expanding our portfolio. Serving the market demand, more LED products, as well as new smart lamps have been launched this year. These lamps, in addition to their convenient and simple use, can light up our every day life. By turning the catalogue page by page you will find these novelties, along with our additional LED ceiling lights, in the new "LED ceiling and wall lamps" section. Of course, we have not forgotten about the lovers of clean modern, exciting industrial, romantic vintage and eternal classic style, who can choose from not only our new lamps, but our entire portfolio.

We hope you will find the perfect lamp in our range which counts nearly 2000 lighting products to illuminate your home!

Kedves Partnerünk!

Örömünkre szolgál, hogy a kezében tartja a Rábalux 2019-2020 katalógusát, amely most új belsőt kapott, amelynek kialakítása során törekedtünk arra, hogy minél több információt tudjunk átadni szortimentünkről.

Célunk, hogy minden egyedi igényre megoldást tudjunk nyújtani, ezért a világítástechnikai trendek követése mellett a mindennapi élet kényelmessé tételére is figyelmet fordítottunk portfóliónk bővítése során. Idei katalógusunkban még több LED termék kapott helyet, illetve – hódolva a piaci igényeknek – okoslámpákkal tarkítottuk kínálatunkat, amelyek kényelmes és egyszerű használatuk mellett hangulatunkat is feldobhatják a mindennapok során. Ezen különleges lámpákat, további LED mennyezeti lámpáinkkal együtt a katalógust lapozgatva a „LED mennyezeti és fali lámpa" szekcióban találhatja meg. Természetesen nem feledkeztünk meg a letisztult modern, az izgalmas indusztriális, a romantikus vintage és az örök klasszikus stílus kedvelőiről sem, akik kedvükre válogathatnak nemcsak új lámpáink közül, hanem egész portfóliónkból.

Reméljük megtalálja az Ön számára tökéletes lámpát közel 2000 termékünk között, amellyel beragyoghatjuk otthonát!

Sehr geehrte Partner!

Deshalb sind wir nicht nur immer auf dem Laufenden, wenn es um Trends in der Beleuchtungstechnik geht, sondern achten auch darauf, dass durch die Erweiterung unseres Portfolios auch der Alltagkomfortabel besser gestaltet werden kann. Diese Lampen können neben ihrer bequemen und einfachen Bedienung die Stimmung im Alltag auch aufhellen. Diese besonderen Lampen sowie andere LED-Deckenleuchten finden Sie in unserem Katalog unter der Kategorie „LED-Decken- und Wandleuchten".

Natürlich haben wir die Liebhaber des schlichten modernen Stils, des aufregenden industriellen Stils, der romantischen Vintage und des zeitlosen klassischen Stils nicht vergessen, die nicht nur aus unserem neuen Lampensortiment, sondern auch aus unserem gesamten Portfolio das passende Produkt auswählen können.

Wir hoffen, dass Sie in unserem – mit fast 2000 Beleuchtungsprodukten umfassenden Sortiment - die perfekte Leuchte finden und wir somit Ihr Zuhause erleuchten können!
